Club Members Strut to the Music!

Our August 8 meeting brought some new life to the quiet days of summer, with Summerhill residents **Margaret Koll and Rose Knosp** joining us to lead a night of shuffles, vines, kicks, and taps that produced some pretty cool line dancing. About a dozen and a half enthusiastic club members took to the floor. It was intense...with

only one rest break, the dancing continued from about 7:45 till almost 9:00 under the fantastic tutelage of Margaret and Rose. For some of the more complex routines, our instructors performed a "solo" exhibition, featuring a choreographed waltz that was positively riveting!

The next time you see these remarkable ladies, be sure to thank them for taking the time to be with us on August 8...it was a great night! And, I think they may have created some additions to the town square dancing crowd.

Looking Ahead to our September 12 Meeting

One of the more popular events from last year was the visit from Lt. Nehemiah Wolfe of the Sumter County's Sheriff Office. We're again having Lt. Wolfe with us to provide an update on the state of many issues affecting all of us in Summerhill and in The Villages in general. During the week of August 20, you will be receiving an email soliciting questions in advance of this meeting so that Lt. Wolfe can have the opportunity to research our concerns and provide complete answers to our questions. Be sure to take a few minutes and give serious thought to the questions you'd like answered by Lt. Wolfe, or to the issues you'd like to see him discuss in open forum. Of course, questions will be taken from the floor, but allowing for research in advance tends to produce more accurate and well-

structured answers. This is your chance to receive "official" answers to your items of concern, so let's make the most of it. This is also an excellent opportunity to clarify those things we all hear on the rumor mill.

Special Thanks for Items Donated to Tools For School Drive

We had an impressive collection of school supplies donated at the August 8 meeting. We certainly want to thank Helen Kontras for her interest in this project, and for her willingness to coordinate the delivery of the supplies to the drop-off sites. "Wildwood Elementary School was delighted with our contribution of school supplies," reports Helen. "Summerhill Women's Club also donated to the cause. Thanks to all."

Don't Forget Our Sunshine Club!

If you know of any club members who have been hospitalized or who are suffering with an illness, please call Patty Ekaitus at 259-1140 so she can drop them a note from the club. Last month, Patty reported that seven cards were issued.

Update on County Road 101 Development

Thanks again to Frank Szczepanski for providing another update on the County Road 101 development projects, this time in the form of a recap of the July 24 public hearing on the road issues. Frank reiterated his suggestion that all Summerhill residents stay aware of these projects and participate in any opportunities to submit input regarding concerns. Issues like traffic flow and the general congestion expected to result from these large developments concern Summerhill residents directly, making it extremely important that our collective voices be heard by the County's administrative officers.
